Ph. D. Chemistry/Biochemistry Program Advisor Hours

By appointment only. Email Prof. Michael Mirkin, Prof. Jianbo Liu, Prof. Sanjai Kumar

If you are declaring a major or minor, you must see an advisor in-person at the above timings. We expect completion of Chem 113 or its equivalent before signing major/minor form. Once you declare the major, you are expected to make satisfactory progress towards completing the major. A hold will be placed on your registration if you fail to make progress in the major and don't see an advisor.

Transfer credit evaluation forms can be placed in the drop-box near RE206 & picked up after 1 business day from the front desk between 9 am and 1 pm. Include your phone number so that we can call you if there are any questions.

General student queries about our programs, program advisement, transfer credits, etc. will be attended in-person at the above timings.
