What can you do with a MATH MAJOR?

Come find out!

Join us in a discussion about life after college as the panelists answer your questions.

**Ryan Haskett** studied math and physics and has worked with credit default swaps for Highbridge Capital. After traveling in Asia for 15 months, he currently works on semi-automated trading strategies at Hutchin Hill Capital.

**Gregory Rae** studied math and computer science and has worked as a software engineer at Google, in consulting tech startups and political campaigns. Last year, he made his debut as a Broadway producer.

Monday, April 30, 2012
12:15-1:15 in Kiely 242

All are welcome.
Light refreshments will be provided.

For more information, contact Prof. Christopher Hanusa.
