Students must have declared a major in order to take SEYS courses. This major is intended for students who would like to become initially certified in Secondary Education (grades 7-12) with a concentration in Social Studies Education. Students must be upper sophomores to begin the program and have their major declared in Africana Studies, Anthropology, Economics, History, Latin American Studies, Political Science, Sociology, or Urban Studies.

To qualify for student teaching you must have a minimum GPA of 2.75 in your major if your content area is Economics; for all other content areas a 3.0; a B in SEYS 363, and a 3.0 GPA in SEYS courses.

All SEYS Social Studies Majors must have at least 21 credits of History and Geography (at least two courses of US History and two courses that are NON-US History), one course in Economics and one course in Political Science. Students must also have one block of at least 12 credits in a single Social Science discipline outside of their major. (See Reverse for more details)

**Total Number of Credits**

24

All students are required to complete 100 hours of fieldwork prior to the Initial Clinical Experience (ICE).

*Credits not applicable to the major’s Total Number of Credits

**Submission of CST official score report, with overall score and sub-scores (candidates who do not pass must develop a remediation plan signed by advisor prior to student teaching).
IF YOUR MAJOR IS HISTORY:
You must take at least:
1 Economics Course
1 Political Science Course

12 credits in A SINGLE Social Science discipline (Choose four courses from ONE of the following areas: Anthropology, Economics, Political Science, or Sociology. We suggest that at least one course have the word “Geography” in the title.)
1) ______________________________________
2) ______________________________________
3) ______________________________________
4) ______________________________________

(If you chose Economics or Political Science as your 12 credit area, substitute a course in another Social Science field for the Economics or Political Science requirement.)

IF YOUR MAJOR IS AFRICANA STUDIES, ANTHROPOLOGY, ECONOMICS, LATIN AMERICAN STUDIES, POLITICAL SCIENCE, SOCIOLOGY, URBAN STUDIES:
You must take at least:
1 Economics Course
1 Political Science Course

(If you are an Economics or Political Science Major, substitute a course in another Social Science field for the Economics/Political Science requirement.)

You must have 21 credits in History and Geography. Since there is no Geography department on campus, we recommend that you complete a minor in History. The History Department will work with your major department to certify at least one course as having sufficient history content to fulfill the requirement. Your major department may also be developing courses with the word GEOGRAPHY in the title to help you meet these requirements.

_____ Yes, I am completing an 18 credit History Minor. The additional course that will bring me to 21 credits in History and Geography is:
1) ______________________________________

_____ No, I am fulfilling this requirement without a History Minor. My four courses in US History and Non-US History/World Studies are as follows:
1) US: ______________________________________
2) US: ______________________________________
3) WORLD: ______________________________________
4) WORLD: ______________________________________

The remaining 9 credits I need in History and Geography are as follows:
1) ______________________________________
2) ______________________________________
3) ______________________________________

(These 9 credits may come from Geography/History courses in your major or another Social Science Department or from the History Department.)
