Summer and Fall 2016
Chemistry Courses
Pre-registration*

Summer 2016 Courses Offerings:
CHEM 1013/1011, 1023/1021, 1134/1131, 1144/1141 and 163

*Note: All students interested in taking a summer or fall chemistry course need to fill-out a pre-registration sheet and drop it off in the chemistry drop box ASAP. The sheets are available for pick up in Remsen Hall 2nd floor (chemistry information wall by the stairs). The registration will begin on the departmental registration day and will be done on the first come/first serve basis for all students who want chemistry courses. Please note chemistry majors are registered first.

ACT NOW- chemistry courses fill up quickly and many of the courses will be full before open registration begins.
