Self-Reflective Assessment

Based on your review of the “Know before you go” presentation, FYI information and your review of the departmental websites for the Majors, list some categories/course that you would want to take your first semester here at Queens College.

Briefly describe any concerns and questions about transitioning to Queens College.

Briefly describe how you perceive/believe/wish your QC education (liberal arts, major, minor, internship, etc.) would assist you in achieving your academic and professional goals.
