The Major

QC Major Requirements

Cannot use Pass/No Credit Grading Option for any courses applying to Pathways.

• Majors vary in the number of credits and courses required.
• At QC, the number of credits in a major can range from 31 credits to 79 credits.
• Some majors have entrance requirements and/or an application process.
• Most majors have maintenance and graduation criteria.
• See four year academic program maps on Advising Center’s website.
Your QC Bachelor’s Degree

Electives

QC Electives

• If you transfer in 75 or fewer credits, you must reach at least 120 credits (minimum 45 credits in residency).

• If you transfer in 76 or more credits, you must complete a minimum of 45 credits in residency and will need to exceed 120 credits.

• If your transfer credits, plus your remaining QC Core and remaining major requirements, do not add up to 120 credits, with 45 credits in residency, elective credits are needed. Consider an internship or study abroad as options!
Declaring Your Major

Fill in and print out the online Major/Minor Declaration Form: @
www.qc.cuny.edu/registrar/Pages/UndergradDeclaration.aspx

To complete the form:
Please have it signed by the appropriate department for the major/s as well as minor/s.

Once signed, bring the completed form to the One Stop located on the second floor of Jefferson Hall.

As indicated earlier, some majors have an application process that must be followed. Please see next slide for those majors.

Please note that you must declare your major by your 60th completed credit by the Fall 2018 deadline of Monday, September 17. This is required by CUNY and Financial Aid.

Ready to register for additional classes? Get started by reviewing your academic plan with an advisor.
Academic and Grading Policies are critical to your success. Please review your 2018 Transfer Student Key Points form in your packets when waiting to see an advisor. Ask them any questions you may have.
