PROCEDURES FOR IMPLEMENTING REASONABLE ACCOMMODATION
AT THE CITY UNIVERSITY OF NEW YORK

SECTION I: OVERVIEW

The City University of New York, in compliance with Sections 503 and 504 of the Federal Rehabilitation Act of 1973 (“Rehabilitation Act”), the Americans with Disabilities Act of 1990 (“ADA”), New York State Executive Law §296, and the New York City Human Rights Law, provides qualified individuals with disabilities the opportunity to participate in programs, activities, or employment.

SECTION II: RESPONSIBILITY FOR IMPLEMENTATION

The President of each constituent college of The City University of New York, the Senior Vice Chancellor for the Central Office and the Dean of the Law School are responsible for the implementation of these procedures.

Each University unit has a 504/ADA Compliance Coordinator who has responsibility for coordinating efforts to ensure access and non-discrimination for individuals with disabilities.

The Human Resources Director along with supervisors of each constituent college of The City University of New York is responsible for making arrangements to provide reasonable accommodations to applicants for employment and current employees.

Each University unit has a Student Disabilities Services Coordinator who has responsibility for providing services and coordinating efforts to ensure access to programs and activities for students with disabilities.
SECTION III: PROCEDURES FOR REQUESTING AN ACCOMMODATION

A. Applicants for Employment

As part of a standard acknowledgment letter, individual applicants are to be instructed to contact the college’s Director of Human Resources if an accommodation is needed to participate in the application/interview process. The Human Resource Director will make arrangements with the appropriate individuals to provide a reasonable accommodation.

B. Current Employees

Upon initial hire, each employee is given the opportunity to self identify as a person with a disability and to request a reasonable accommodation. The self-identification form is to be circulated annually by Human Resources to all current employees to permit the self-identification of employees who may have become disabled subsequent to initial hire.

An employee should make any initial request for accommodation to her/his immediate supervisor. Alternatively, an employee may direct his/her request to the Director of Human Resources at the site. In either case, consultation between the employee’s supervisor and the Director of Human Resources should take place to determine whether the requested accommodation, or an alternate accommodation, is appropriate and should be implemented. Appropriate supporting documentation should be provided to the Human Resources Director. If the proffered accommodation is acceptable to the employee, the Human Resources Director should inform the 504/ADA Compliance Coordinator of the nature of the accommodation.

When an accommodation is complex or requires college expenditures, the supervisor and the Human Resources Director are required to obtain the input of the 504/ADA Compliance Coordinator and/or other college officials. Such consultation shall be confidential, and limited to those officials whose input is necessary to the decision.

Employees may consult with the college’s 504/ADA Compliance Coordinator at any time to discuss and understand their rights under the Rehabilitation Act, the ADA and state and local legislation, and they are encouraged to do so.

C. Visitors

Brochures/flyers announcing specific public programs should include a statement identifying the person to contact if an accommodation is needed. The time frame, by which such a request must be made, e.g. forty-eight
hours in advance, must be included in the statement. A visitor should make any initial request for accommodation to the individual designated on the flyer. The designee should consult with appropriate college officials to determine the feasibility of granting the requested accommodation. Such consultation shall be confidential, and limited to those officials whose input is necessary to the decision. If the proffered accommodation is acceptable to the visitor, the designee should inform the 504/ADA Compliance Coordinator of the nature of the accommodation.

D. Students

A student should make an initial request for accommodation to the Office of Services for Students with Disabilities, and provide appropriate supporting documentation. The Student Disabilities Services Coordinator may consult with appropriate college officials such as the instructor or provost to determine the appropriateness of the requested accommodation consistent with the program requirements. Such consultation shall be confidential, and limited to those officials whose input is necessary to the decision.

Students may consult with the Office of Services for Students with Disabilities or the 504/ADA Compliance Coordinator at any time to discuss and understand their rights under the Rehabilitation Act, the ADA, and state and local legislation, and they are encouraged to do so.

SECTION IV: REVIEW OF ACCOMMODATION REQUESTS/DECISIONS

Applicants for Employment
Applicants whose request for accommodation is denied or who do not agree with a proposed accommodation for the application/interview process, will inform the Human Resource Director. The Human Resource Director will inform the 504/ADA Coordinator who will make the final decision and inform the applicant of the decision.

Current Employees
If an employee does not agree with a proffered accommodation, the employee may discuss the situation with the 504/ADA Compliance Coordinator who will review the matter and attempt to resolve it. The Compliance Coordinator may designate one or two members of the 504/ADA Committee to assist in this effort. If the matter is not resolved, the employee may exercise any and all rights available under law without fear of retaliation. If the employee is a union member, the employee may wish to discuss this situation with his/her union representative and exercise any rights available under the collective bargaining agreement.
The Compliance Coordinator will keep the President apprised of the matter.

**Visitors**
If a visitor finds a proffered accommodation unacceptable, the visitor may discuss the situation with the 504/ADA Compliance Coordinator. The Compliance Coordinator shall make the final decision after consultation with the college President.

**Students**
If a proffered accommodation is unacceptable to the student, the student may discuss the situation with the 504/ADA Compliance Coordinator who will review the matter and attempt to resolve it. The college 504/ADA Compliance Coordinator may designate one or two members of the 504/ADA Committee to assist in this effort. If the proffered accommodation is still unacceptable, the college Compliance Coordinator will apprise the college President of the issues and the college Compliance Coordinator’s recommendation. The President shall make the final decision.

**SECTION V: DATA COLLECTION/RECORD KEEPING/COMMUNICATION**

The 504/ADA Compliance Coordinator is responsible for collecting the information on all accommodation requests including the number made and type of accommodation provided to employees. Likewise, the Student Disability Services Coordinator is responsible for collecting the information on all accommodation requests including the number made and type of accommodation provided to students. Whether records are maintained on paper or computer, they should be kept in a secure location and protected from damage or loss.

There are very strict limitations on the use of medical information obtained through the reasonable accommodation process. All requests for accommodation and all supporting information, including but not limited to medical information, are to be considered confidential and shared with college officials only on a need-to-know basis. Any medical documentation submitted or obtained may only be used to evaluate the request for accommodation. Medical records for employees must be kept in a separate file in the Human Resources Department. Medical records for students are to be kept in a separate file and maintained in the Office of Services for Students with Disabilities.
Applicants and employees, students and visitors may avail themselves of their legal rights to complain to non-CUNY agencies, without fear of retaliation. An updated list of these non-CUNY agencies may be obtained from the college’s AA/EEO Office.

The University reserves the right to alter, change, add to, or delete any of these procedures at any time without notice.
