**AREAS**

- Choose an additional academic area of study to supplement the foreign language, preferably one that requires a high degree of technical skill. Most people with foreign language ability use the ability to assist them in a different career field.
- Related courses to study include geography, history, civilization, foreign relations, international law and world economics.
- Decide and choose which language is necessary for your career. Decide the level of foreign language ability you will need to acquire for success in your career. Possible languages to study: Spanish, German, French, Russian, Japanese, Chinese, Italian, Hebrew, Arabic and Portuguese.

**EMPLOYERS**

- Plan to attend a Berlitz School, a school that teaches every foreign language and that is located all over the world, or the Latin American Institute or the School of Languages and Linguistics in Washington, D.C.
- Travel to a foreign country or study abroad in international exchange programs to learn different cultures.
- Study and practice your foreign language skills by reading foreign newspapers, magazines and books.
- Watch foreign movies and listen to foreign broadcasts to keep up your fluency.
- Volunteer your language skills to churches, community organizations and programs that work with people who speak your target language.
- Participate in summer programs, co-ops and internships to improve your skills.
- Pen pal with a correspondent from a foreign country.
- Contact professional associations and read their publications to find out about job opportunities.
- Look through newspaper want-ads to get an idea of jobs in which knowledge of a foreign language is useful.

**STRATEGIES**

- Service and Education, Continued
- Plan to get a graduate degree to teach in colleges or universities.
- Get experience by becoming a teaching assistant or teacher's aide.
- Be familiar with the cultural base of your language (literature, art, politics, etc.) as well as with cultural traditions.
- Specialize in an area of research.
- Plan to take both written and oral examinations to become an interpreter.
- Get a part-time job teaching English as a second language.
- Volunteer with government programs such as Peace Corps or VISTA.

**GENERAL INFORMATION**

- Participate in summer programs, co-ops and internships to improve your skills.
- Pen pal with a correspondent from a foreign country.
- Contact professional associations and read their publications to find out about job opportunities.
- Look through newspaper want-ads to get an idea of jobs in which knowledge of a foreign language is useful.
