College Option Credits

63

Major Credits

15

Elective Credits

This 4-year academic plan is for freshmen entering Queens College in Fall 2021. Our 4-year academic plans are illustrative examples of integrated degree requirements and course sequencing for each of the College's programs of study which are designed to ensure degree completion in a timely manner. Students are advised to meet with professional and faculty advisors to tailor their degree maps to their individual interests (academic and career goals), as well as other considerations including course offerings and the incorporation of winter and summer sessions. Course pre-requisite/s and co-requisite/s are strictly enforced, as are entrance and maintenance criteria (if applicable) for the successful completion of the degree.

QUEENS COLLEGE

Accounting BA

FOUR YEAR ACADEMIC PLAN

Freshman

College Option Language (LANG)	4 credits
College Option Science (SCI)	3 credits

Fall total credits **17 credits**

* Math 122 is prerequisite for ECON 249, but you may not have to start with this level. Based on your High School math level, the math department will decide which level of math you must take.

** If a Literature course is taken with a W, it will count towards Literature and one Writing Intensive Unit.

General Education requirements may be taken in any order if the pre-requisite requirement(s) is/are satisfied.

Minor or general electives	2 credits

Fall total credits 15 credits

SPRING

ACCT 322 Auditing II	3 credits
Minor or general electives	12 credits

Fall total credits 15 credits

**General Electives: Students may complete general electives by taking courses in (most) department/s or programs they choose; however, depending on the course/program, students may need department permission and/or prerequisite course/s. Electives may be used to supplement the chosen major (an English major may want to take a course in French or Italian literature) or to fulfill interest in a different area (a Music major may be interested in the physics of sound). Students are encouraged to use available electives to complete a dual major, minor, pre-requisites for graduate or professional school, or complete and internship, experiential learning and/or study abroad. Students are encouraged to use their available general electives wisely and focus on coursework that will assist them personally, academically and professionally.

**** Writing Intensive course overlaps, if ACCT 362W is taken it will satisfy the 2nd W requirement for College.

***** Please see the Accounting department for list of approved electives
