

QUEENS COLLEGE

Applied Mathematics BA

Computer Science Track

FOUR-YEAR ACADEMIC PLAN

12 Required Core Credits

18 Flexible Core Credits

12 College Option Credits

57 Major Credits

21 Elective Credits

120 Total

This 4-year academic plan is designed to help freshmen entering Queens College in Fall 2019 plan their academic career and ensure that they complete all requirements for graduation in a timely fashion. All other students should consult their academic and department advisors to chart their own 4-year academic plans. Students should note that course pre-requisite/s and co-requisite/s are strictly enforced and they should regularly meet with their department advisors to identify their specific major/minor requirements and entrance and maintenance criteria (if applicable) for successful completion of their degree.

Applied Mathematics BA Computer Science Track

FOUR-YEAR ACADEMIC PLAN

Freshman

FALL

English Composition I (EC1)	3 credits
MATH 122 (MQR)	4 credits
Pre-calculus	
Life & Physical Science (LPS)	4 credits
World Cultures & Global Issues (WCGI)	3 credits

Fall total credits **14 credits**

SPRING

English Composition II (EC2)	3 credits
MATH 151	4 credits
Calculus I

FOUR-YEAR ACADEMIC PLAN

Junior

FALL

MATH 202 Advanced Calculus	4 credits
Math Elective (in consultation with Math Dept. advisor)	3 credits
Computer Science Elective (in consultation with Math Dept. advisor)	3 credits
College Option Literature (LIT+W) With Writing Intensive Unit*	3 credits
College Option Science (SCI)	3 credits

Fall total credits

16 credits

SPRING

Math Elective (in consultation with Math Dept. advisor)	3 credits
Math Elective (in consultation with Math Dept. advisor)	3 credits
Foreign Language (LANG)	4 credits
One Writing Intensive Unit (W)	3 credits
An Additional College Core	3 credits

Spring total credits

16 credits

Senior

FALL

Math Elective (in consultation with Math Dept. advisor)	3 credits
Math Elective (in consultation with Math Dept. advisor)	3 credits
An Additional College Core	3 credits
Second major, minor, or general electives	6 credits

Fall total credits

15 credits

SPRING

Math Elective (in consultation with Math Dept. advisor)	3 credits
Second major, minor, or general electives	12 credits

Spring total credits

15 credits

* If a Literature course is taken with a W, it will count towards Literature and one Writing Intensive Unit.

**General Electives: Students may complete general electives by taking courses in (most) department/s or programs they choose; however, depending on the course/program, students may need department permission and/or prerequisite course/s. Electives may be used to supplement the chosen major (an English major may want to take a course in French or Italian literature) or to fulfill interest in a different area (a Music major may be interested in the physics of sound). Students are encouraged to use available electives to complete a dual major, minor, pre-requisites for graduate or professional school, or complete an internship, experiential learning and/or study abroad. Students are encouraged to use their available general electives wisely and focus on coursework that will assist them personally, academically and professionally.
