This 4-year academic plan is designed to help freshmen entering Queens College in Fall 2020 plan their academic career and ensure that they complete all requirements for graduation in a timely fashion. All other students should consult their academic and department advisors to chart their own 4-year academic plans. Students should note that course pre-requisite/s and co-requisite/s are strictly enforced and they should regularly meet with their department advisors to identify their specific major/minor requirements and entrance and maintenance criteria (if applicable) for successful completion of their degree.

## QUEENS COLLEGE

# Family & Consumer Sciences BA

## Teacher Education, K-12 BA

### FOUR YEAR ACADEMIC PLAN

## Freshman

Second major, minor, or general electives***	5 credits

**Spring Total Credits** **15 credits**

Students must receive a "C" or better in all courses required for the FCSTEd-BA major. If a grade below C is earned, a student may repeat the course once. If a grade below C is earned upon repeating the course, the student must change their major.

Students must maintain an overall "B" average (3.0 GPA) in the professional education courses that includes SEYS 201W, 221, 340, 350, ECPSE 350, FNES 336, 338 and 339.

General Education requirements may be taken in any order if the pre-requisite requirement(s) is/are satisfied.

\*\* If a Literature course is taken with a W, it will count towards Literature and one Writing Intensive Unit.

Student Teaching Full-time	
FNES 226	6 credits
Apparel Science II	

**Spring Total Credits** **15 credits**

\*Students are only allowed to take one course with Student Teaching.

\*\*\*General Electives: Students may complete general electives by taking courses in (most) department/s or programs they choose; however, depending on the course/program, students may need department permission and/or prerequisite course/s. Electives may be used to supplement the chosen major (an English major may want to take a course in French or Italian literature) or to fulfill interest in a different area (a Music major may be interested in the physics of sound). Students are encouraged to use available electives to complete a dual major, minor, pre-requisites for graduate or professional school, or complete and internship, experiential learning and/or study abroad. Students are encouraged to use their available general electives wisely and focus on coursework that will assist them personally, academically and professionally.
