This 4-year academic plan is designed to help freshmen entering Queens College in Fall 2020 plan their academic career and ensure that they complete all requirements for graduation in a timely fashion. All other students should consult their academic and department advisors to chart their own 4-year academic plans. Students should note that course pre-requisite/s and co-requisite/s are strictly enforced and they should regularly meet with their department advisors to identify their specific major/minor requirements and entrance and maintenance criteria (if applicable) for successful completion of their degree.

| Second major, minor, or general<br>electives*** | 5 credits |

**Spring Total Credits** **15 credits**

General Education requirements may be taken in any order if the pre-requisite requirement(s) is/are satisfied.

\* If a Literature course is taken with a W, it will count towards Literature and one Writing Intensive Unit.

Students must receive a "C" or better in all courses required for the FCS: F&T-BA major. If a grade below C is earned a student may repeat the course once. If a grade below C is earned upon repeating the course, the student must change their major.

| Survey of Recent Developments in Textiles |           |
| Elective (FNES 358)**                     | 3 credits |
| Second major, minor, or general electives | 6 credits |

**Fall Total Credits** **15 credits**

### SPRING

|  |           |
|--|-----------|
| FNES 327                                   | 3 credits |
| Apparel Design                             |           |
| FNES 380                                   | 1 credit  |
| Seminar in Family & Consumer Sciences      |           |
| Elective (FNES 358 if not already taken)** | 3 credits |
| Second major, minor, or general electives  | 8 credits |

**Spring Total Credits** **15 credits**

\*\* FNES 358 can only be taken once for 3 credits.

\*\*\*General Electives: Students may complete general electives by taking courses in (most) department/s or programs they choose; however, depending on the course/program, students may need department permission and/or prerequisite course/s. Electives may be used to supplement the chosen major (an English major may want to take a course in French or Italian literature) or to fulfill interest in a different area (a Music major may be interested in the physics of sound). Students are encouraged to use available electives to complete a dual major, minor, pre-requisites for graduate or professional school, or complete and internship, experiential learning and/or study abroad. Students are encouraged to use their available general electives wisely and focus on coursework that will assist them personally, academically and professionally.
