Assessment Forum | December 10, 2012

Assessment Activities | Department of Hispanic Languages & Literatures

- Survey instruments
  - Curriculum Committee met to design more language-oriented/linguistics courses for students enrolled in teacher training programs
  - Best efforts to offer a reasonable rotation of weekend and evening courses for timely degree completion
- Standardize how we measure oral proficiency in basic and intermediate language courses by using benchmark assessments in all courses
• Aggregate data from teacher licensure examinations:
  • Content Specialty Test (CST) - New York State Teacher Certification Examination

• ACTFL’s Oral Proficiency Interview (OPI)
