Does this project involve another College or other institution?         (if checked, please name the Institution and the co-PI below:)

Name of Collaborating PI:_____________________________________________________________________

Collaborating Institution: ______________________________________________________________________

RCR/COI/CITI Training
Has everyone involved in this project taken the CITI Responsible Conduct in Research Training? □ Yes □ No
Have all PIs and Co-PIs taken the CITI Conflict of Interest Training? □ Yes □ No
If you are using human subjects, have all persons involved with the research project been certified through CITI training? □ Yes □ No

Please provide a current copy of the certification for these trainings.  If you checked NO, please provide an explanation (on the next page) and a projected date by which the training will be complete.  PIs are responsible for ensuring that all persons associated with a research project have taken the appropriate RCR/COI/IRB and/or IACUC training.

Export Controls:  Does this project include the export of materials (including technical or electronic data) to other countries or provide access to such materials through foreign collaboration that may be restricted by Export Administration Regulations (EAR), International Traffic in Arms Regulations (ITAR) or by the Office of Foreign Assets Controls (OFAC)?  YES □ NO □

If yes, certain licensing procedures must be followed. Our export control officer as well as ORSP will assist the PI in the process.  All certificates and registrations must be on file with ORSP at the time of grant submission.

The signature of the Principal Investigator (PI) below certifies:  ● that neither myself nor my co-PIs are presently debarred or suspended from doing business with the Federal Government;  ● acceptance of responsibility for the financial and scientific conduct of the project and will provide the required financial and technical/progress reports if a grant is awarded; compliance of the proposal with applicable institutional, sponsor, federal and state regulations and policies; and ● compliance with the Institution’s Patent Policy and Conflict of Interest Policy.

PI Signature _________________________________________________   Date__________________________
