

The Asian/American Center (A/AC) is delighted to announce that we will continue offering several scholarships to Queens College students for the year 2020. These scholarships will range from \$2,000 to \$4,000 each. They are intended to help students complete their college education, and are awarded on the basis of financial need and academic achievement (GPA of 3.0 and above).

Freshman students are especially encouraged to apply; and recipients will be eligible to re-apply for these scholarships on an annual basis, subject to meeting the criteria.

**Procedure to follow:**

1. To determine the financial qualification of applicants, students are required to complete a FAFSA online application before applying for A/AC Scholarships. <http://www.qc.cuny.edu/admissions/fa/Pages/default.aspx>  
**(One does not need to qualify for FAFSA in order to be eligible for the scholarships).**

You may also send it by regular mail to the Asian/American Center at the following address.
