

The A/AC is a resource for Queens College students and the wider Queens community. It promotes research, develops campus-community partnerships, houses a reference library, and runs a translation program. It has recently launched *A NEW MINOR IN ASIAN AMERICAN COMMUNITY STUDIES* that supports students pursuing any academic major.

Take on Community Issues: Asian/American Center's Summer Leadership Institute at Queens College

This weeklong program introduces incoming freshmen to new perspectives on challenges faced by local communities with a focus on Asian Americans. Students will develop knowledge and skills so that they can become active participants in creating positive change.
