Big Buddy

The Service Corps Team is excited to launch the Big Buddy this Fall, which is now a fully on-line virtual mentoring tutoring opportunity. The Big Buddy program is a service-learning program at CUNY Queens College for students which is a great opportunity to experience engaging, learning and mentoring homeless youth.

According to the 2020 statistics released by the New York Department of Homelessness, there is an average of 16,000 school aged children in homeless shelters. Therefore, in New York City, Big Buddy is more crucial than ever.

For any question you can email us,
bigbuddy@qc.cuny.edu and for more visit
Queens College Big Buddy Website.
