

## POST COIL SURVEY

This questionnaire is to provide some information about your experience about the Collaborative Online International Learning module in your course.

Please read through the questions carefully, and answer them as honestly and openly as you can.

Note that you will not be asked to put your name in the questionnaire.

This is to protect the confidentiality of your responses.

The data collected will be used in aggregated form only.

Your responses will not affect your course grade.

If you have any further questions about the project or concerns about the questionnaire, please feel free to discuss the issue with your professor.

If you have any questions, please contact: \_\_\_\_\_

### Consent statement:

I understand that my participation in filling out this questionnaire is voluntary. I may choose to withdraw at any time. I understand that my responses to the questions will be kept confidential and that my name will never be associated with individual responses. I have been assured that the data, if made public, will be in aggregated and anonymous form only.
