**AN ANNOUNCEMENT TO ALL GRADUATE STUDENTS**

**Graduate Tuition Reimbursement Awards – Eligibility Information**

Dear Queens College Graduate Students,

Queens College is pleased to announce to all graduate students the availability of approximately 330 Graduate Tuition Reimbursement Awards for the 2008 Spring Semester, in the amount of \$500 each, to be awarded based on a combination of financial need and academic merit. You will be considered by the Office of the Dean of Research and Graduate Studies for this award if you meet the following three requirements:

1. You must have completed at least 9 graduate level credits at Queens College by the end of the Fall 2007 semester, and have a cumulative GPA of no less than 3.0 through Fall 2007.
2. As of January 6, 2008, you must be registered for at least 6 credits in the Spring 2008 semester as a graduate student matriculated in a degree program at Queens College.
3. You must have successfully completed the FAFSA (Free Application for Federal Student Aid) application process for the 2007-2008 academic year with the Federal Processor, indicating the Queens College Federal code **002690**, no later than **December 19, 2007**, and show significant financial need as a result of the Federal processor's standard calculation of financial need.

The successfully completed FAFSA serves as your application for the Graduate Tuition reimbursement award; no other application materials are required. Awards will be made to those eligible graduate students who demonstrate the greatest financial need, as determined by the government formula used to evaluate the FAFSA information. In some cases, a student's loans and /or work-study awards may be reduced to permit this award, so that total aid does not exceed his/her federally determined "financial need." We will notify awardees by March 15, 2008, and award checks will be mailed by the Bursar's Office prior to April 15, 2008.

More information about the FAFSA application process and financial aid in general is available from Financial Aid Services at 718-997-5100 and at [www.qc.cuny.edu/financial\\_aid/](http://www.qc.cuny.edu/financial_aid/). Please direct any questions related to this award to the Office of Graduate Studies at 718-997-5190.

On behalf of Queens College, I wish you much success in your academic endeavors.

Sincerely,

Steven Schwarz, Dean  
Office of Graduate Studies
