

## AGREEMENT

The undersigned parties agree that the provisions of Section 15.2 of Article 15 of the 2007-2010 Agreement between The City University of New York and the Professional Staff Congress/CUNY (PSC) and its successor agreement is modified for the 2011-2012 academic year as follows:

1. A person appointed to an adjunct title, excluding Graduate Assistants, shall not be assigned a total of more than eight (8) classroom contact hours during the 2012 winter session. (The parties will enter into a separate agreement governing adjunct workload at Kingsborough Community College and LaGuardia Community College for the Fall 2011 Semester – Session II/Fall 2011 Session B [Winter 2012].)
2. Classroom contact hours during the 2012 winter session will not be counted toward the adjunct's workload in either the Fall 2011 semester or the Spring 2012 semester.
3. Nothing in this Agreement should be construed as modifying in any way the statement in Section 15.2 that "A person appointed to an Adjunct title is not a full-time employee of The City University of New York. Employment in an adjunct position or a combination of adjunct positions shall not constitute a full-time position."

The PSC agrees not to initiate any action, proceeding, grievance, or arbitration in any court, administrative agency, or other forum or tribunal, against The City University of New York, the constituent colleges of The City University, or any of their officers, employees, or other agents, regarding claims of eligibility for full-time status based upon adjunct service during the 2012 winter session.
