

## **USEFUL LINKS FOR DEPARTMENT CHAIRS AND NEW FACULTY**

The ***Provost's website*** includes information on a range of issues relevant to faculty, including the College's mission, the curriculum, calendar and schedule information, and policies and guidelines: <http://www.qc.cuny.edu/Provost>

The ***Academic Senate***, comprised of faculty and students, is responsible for Queens College's curriculum: <http://www.qc.cuny.edu/AcademicSenate>

The ***Office of Research and Sponsored Programs*** administers research grants, including internal PSC-CUNY research awards, and provides information on available support, regulations, and the application process: <http://www.qc.cuny.edu/about/administration/Provost/Research>

***Writing at Queens*** is a resource for all faculty and students at Queens College. The goal is to encourage, stimulate, and support a culture of writing on campus: <http://www.qc.cuny.edu/WAQ>

The ***Center for Teaching and Learning*** offers services to promote, sustain, and recognize all aspects of teaching and learning at Queens College: <http://www.qc.cuny.edu/CTL>

The ***Educational Technology Laboratory*** is a resource for faculty wishing to use technology in their teaching. CTL also provides resources for faculty wishing to use Technology in their teaching: <http://www.qc.cuny.edu/CTL>

The ***Office of Human Resources*** is dedicated to the development and implementation of programs, processes and policies that foster an environment of support, professional development and employee recognition: <http://www.qc.cuny.edu/HR>

The ***Office of Information Technologies*** provides administrative, instructional, research communication information, and audio/video services: <http://www.qc.cuny.edu/Computing>

The ***Office of Institutional Effectiveness*** provides institutional data for surveys, departments, academic programs, and college and university administration. The QC Fact Book can also be found here. <http://www.qc.cuny.edu/about/research>

The **Queens College Libraries** provide access to electronic databases and full text journals: the CUNY online catalog, and other electronic resources; electronic interlibrary loan; instructions for off-campus access to its materials; and the Electronic Reserve (ERES) System:

<http://qcpages.qc.cuny.edu/library>

**Blackboard** is CUNY's course management system. It can be used to post syllabi, handouts, and readings; keep an electronic grade book; deploy surveys, quizzes, or tests; collect and return assignments electronically; host electronic discussion boards or chat sessions; build password-protected blogs and wikis, etc. Blackboard can be accessed directly:

<http://qcpages.qc.cuny.edu/edtech/> but to set up a CUNY Portal ID, necessary to login, go to <http://www.cuny.edu>. Contact Gina Nurse, Information Technology Services ([gina.nurse@qc.cuny.edu](mailto:gina.nurse@qc.cuny.edu)) for assistance with Blackboard.

The **Registrar's page** has information on the academic calendar, examination schedule, registration guide, and catalogs: <http://www.qc.cuny.edu/Registrar> To access Web Attendance and Webgrading, please consult the Faculty Center portion of your CUNYfirst account. To register for a CUNYfirst account: <http://www.qc.cuny.edu/cunyfirst>

**Media Services** delivers media and equipment, provides technical support in classrooms throughout campus, and offers other services including audio and video duplication and conversion: <https://myqc.qc.cuny.edu/AdminServices/OIT/ClientServices/MediaServices/default.aspx>

**Computer Lab** information can be accessed at:  
[http://www.qc.cuny.edu/Computing/computer\\_labs](http://www.qc.cuny.edu/Computing/computer_labs)

**Faculty and Course Information** including the schedule of classes, enrollment, and faculty evaluation results can be accessed at: <http://courses.qc.cuny.edu>

The **QC Bulletins** detail the graduate and undergraduate courses along with the wide array of College activities: <http://www.qc.cuny.edu/Academics/Pages/CollegeBulletins.aspx>

**NYSED Program Inventory** contains HEGIS codes needed for curriculum changes:  
<http://www.nysed.gov/heds/IRPSL1.html>
