Help Bring Shuttle Buses to Queens College!

Sign the Petition Now

Shuttle bus service to the campus could begin as early as next fall!

For a Student Activity Fee increase of just $40 a semester, QC students could get direct shuttle service to the campus from the Main Street, Flushing and Jamaica train stations. The shuttle also will make a loop from the Main Campus to Queens Hall. All you have to do to support this much-needed service is to sign a petition and, at a later date, vote!

We need 2000 signatures by the end of the day on Monday, March 17.

With these signatures, we will be able to place a referendum about the shuttle service on the ballot for this April’s Student Government election.

Copies of the petition are everywhere:
in the Library, the Dean of Students Office (Student Union, Room 300), the Student Life Office (Student Union, Room 320), the Security Desk at Queens Hall, and at the main desk at the Summit Apartments. In addition, students will be walking around campus to collect signatures.

If the referendum, and therefore the increase in the Student Activity Fee, is approved, all students will be able to ride the bus at no additional cost. Faculty and staff will be able to buy a $40 bus pass beginning in August.

Make it easier for all Queens College students, faculty, and staff to get to campus!
