Submitted for department review and approval 04/20/2020

Upon entry, it is important that all incoming transfer students contact their academic department/s of interest for major declaration and advising. It is also important that the major be declared by the deadline of the semester in which 60 completed credits have been achieved. Otherwise, a student will not receive his/her Financial Aid. Please see the One Stop, Financial Aid Office or Advising Center for the applicable semester’s deadline (which is generally three weeks into each semester).
