

TENURE TRACK POSITION starting in Fall 2018

The Department of Chemistry and Biochemistry of Queens College of the City University of New York (CUNY) invites applications for a tenure-track position at the rank of Assistant Professor starting Fall 2018. We seek to recruit the best available candidate in any branch of physical chemistry, in particular with expertise in spectroscopy, dynamics, and energy science. The successful candidate will be expected to develop an externally-funded research program while at the same time contributing to the Department's mission of excellence in research and teaching at the undergraduate, masters and Ph.D. levels. Candidates must have a Ph.D. and postdoctoral experience is preferred. Review of applications will begin on December 2, 2017 and continue until the position is filled. Further details are available and applications must be submitted through the website at www.cuny.edu; go to Employment, Search Job Postings, More Options to Search for CUNY Jobs, and enter the ID number 17700. Arrange to have three letters of recommendation sent to Jianbo Liu at jianbo.liu@qc.cuny.edu. CUNY encourages people with disabilities, minorities, veterans and women to apply. At CUNY, Italian-Americans are also included among our protected groups. Applicants and employees will not be discriminated against on the basis of any legally protected category, including sexual orientation or gender identity. EEO/AA/Vet/Disability Employer.
