Sigma Xi The Scientific Research Society, Queens College Chapter, is celebrating the 27th anniversary of its Research Poster Session on Thursday, March 14th, 2013, 10am to 1 pm, in the main lobby of the Science Building (SB). Faculty and students will present research they have conducted in various scientific disciplines across Queens College.

All are welcome to come, ask questions, and learn more about the exciting and diverse science research happening on campus.

**Thursday, March 14**
10am-1 pm
**Main Lobby (1st floor)**
**Science Building**
**Queens College**
