For more information and how to apply to the online AFA program use this link:
https://www.qc.cuny.edu/Academics/Degrees/Education/SEYS/Pages/Algebra-for-all.aspx

How to Apply:
• Follow this link to the application and create an account:
http://www.qc.cuny.edu/admissions/graduate
• Select Non-Degree fall 2020
• You are not required to pay the application fee. Please follow the prompt and check the required acknowledgement box, but you will not be required to pay any application fee.
• There are two REQUIRED supplemental documents:
  (1) Transcripts and
  (2) A cover letter indicating your interest in the Algebra for All fully-online microcredential program at Queens College.
  Both documents must be emailed to gradappdocs@qc.cuny.edu.
• At the end of this process, it is necessary to click the "Submit Application" link at the bottom right-hand side of the page. Step 1: Confirmation; Step 2 (Final Step): Signature and click the "Submit Application" button. A confirmation message will appear.

Please note your application will not be processed unless you email both the cover letter and transcripts to gradappdocs@qc.cuny.edu. Missing items will cause unnecessary delays in the processing of your application. Thank you!
