Spring 2019
Algebra for All & Queens College, CUNY
Micro-Credential Partnership for Mathematics
Teachers of Grades 5 through 9

Algebra for All & Queens College, CUNY are pleased to provide Algebra for All teachers with an opportunity to earn a 15 credit micro-credential in mathematics content and pedagogy with tuition and fees paid by CUNY. This coursework will expand the work of the Algebra for All professional learning sessions by providing graduate coursework focusing on strong instructional practice and the content that is critical to student success for in Algebra I and beyond.

Spring 2019 course for new Algebra for All students at Queens:

| Course 1: | Developing Algebraic Thinking in the Middle Grades | Thursdays, 5-7:30pm |

Spring 2019 courses for continuing Algebra for All students at Queens:

| Course 3: | Mathematical Foundations of the Secondary School Curriculum | Tuesdays, 5-7:30pm |
| Course 4: | Mathematics in the Junior High or Middle School | Mondays, 5-7:30pm |

**Courses begin the week of January 28. Application deadline is Nov. 26**
Algebra for All students may only take one course at a time

Courses to be offered in later semesters at Queens:

| Course 2: | Mathematical Initiatives and Methods in the Middle Grades |
| Course 5: | Research Seminar in Mathematics Education |
Tuition and fees for current Algebra for All NYCDOE teachers will be paid by CUNY, however, textbooks for courses are NOT covered. Participants will be responsible for purchasing books and materials for each course. Only Algebra for All teachers in good standing with completed applications will be considered for participation.
