Division of Education | Department of Secondary Education and Youth Services
TIME 2000: A Math-Teaching Program

TENURE TRACK, ASSISTANT PROFESSOR IN SECONDARY EDUCATION: MATHEMATICS EDUCATION/TIME 2000/TECHNOLOGY

The Queens College Department of Secondary Education and Youth Services seeks to hire a full-time tenure track assistant professor in mathematics education with experience teaching mathematics in grades 7-12 and a beginning research agenda in the teaching or learning of mathematics, and knowledge of applications of technology for instruction, appointment beginning in the fall 2020 semester.

Located in the most culturally and linguistically diverse county in the country, our department offers undergraduate and graduate programs that prepare teachers to work with adolescents with varied mathematical strengths and needs in multicultural and multilingual environments.

Teaching responsibilities include undergraduate/graduate courses in methods of teaching middle level and secondary mathematics, curriculum and assessment, research in mathematics education, and college-level mathematics. Field-based and leadership responsibilities include student-teaching and intern supervision, clinical site development, program development at both middle and high school levels, as well as coordinating and providing academic support for school and college initiatives.

HOW TO APPLY

If you are viewing this job posting on any website other than CUNYfirst, please follow the instructions below:
