The new QCard Is Here!
More than just an ID or library card, you can now use your QCard for:

- **QBucks**
  Make purchases just like a debit card with no annoying ATM fees! Buy textbooks, print, make copies, buy food at any on-campus facility, or grab a snack from vending machines.

- **QPrint**
  At the start of the semester, QC loads $15 into the QR print fund on the QCard of every entering freshman or transfer student. In each subsequent semester, matriculated students without holds on their account are eligible for a $15 refill. To qualify, you must complete evaluations for the courses you just took.

- **QMeals**
  Buy meal plans at campus dining facilities! The QCard is accepted at any dining location on campus. Click, buy, eat... it's that easy!

To get started, visit a QCard Station—in the Dining Hall, I Building, Powelmer Hall, or Rosenthal Library—and deposit money into your account. You can also add funds to your QCard at [https://QCard.qc.cuny.edu](https://QCard.qc.cuny.edu).
