**Tuition and Fees Payment Deadlines**: All tuition and fees must be paid by the Payment Due Dates. If the balance is not paid by the due date, you may be dropped from all courses. If you decide not to attend, you must drop your courses via CUNYfirst registration system before the first day of the Fall 2020 term, Wed. Aug. 26, 2020. Failure to do so will affect your official registration status; it may also result in an unofficial withdrawal and financial liability. If you are unsure of your tuition charges, please check CUNYfirst and choose the Student Center option (under Self Service). For detailed Fall 2020 term holidays and conversion dates schedule, please refer to QC Academic Calendar on Registrar's website: [www.qc.cuny.edu/registrar](http://www.qc.cuny.edu/registrar).
FALL 2020 Pathways Course Offerings

Freshmen and transfer students who entered the college in Fall 2013 to present, select courses from the following list of offered Pathways courses to fulfill their General Education requirements. Note: Although some courses appear under multiple Pathways designations, **each course can only satisfy one Pathways requirement** (i.e., Psychology 101 can fulfill either Scientific World or College Option Science, but not both). Students are responsible for checking course prerequisites and conditions, and students cannot earn credits for duplicative courses (e.g. ASTR 1 & ASTR 2, which are considered the same course—with and without a lab component). Such information is indicated on CUNYfirst under each course description.). Also note that some course sections are taught with and without Writing Intensive Units (“W”s). Be sure to pick the proper section to meet your individual requirement needs. If you are unsure as to your course choices, please review with an academic advisor. Lastly, students cannot use the Pass/No Credit (P/NC) grading option for Pathways courses. For more information on General Education, please visit: [http://gened.qc.cuny.edu](http://gened.qc.cuny.edu)

What is a "W" Course?

Courses are designated W ("Writing Intensive") by the Academic Senate on the recommendation of the Undergraduate Curriculum Committee (UCC) and its Writing Intensive Subcommittee (WISC). To be considered for the W designation, a course must meet the following four criteria:

1. 10-15 pages of evaluated writing in three or more assignments (either separate papers or one term paper done in stages) so that students have the opportunity to develop and improve.
2. Some attention to writing in class in one or more of the following possible forms: discussion of papers before they are written and after they are returned; reading aloud of successful papers or models; discussion of the rhetorical strategies or writer qualities of course readings; the use of informal, ungraded writing to stimulate class discussion; peer editing: opportunities for students to give each other feedback on first drafts; discussion of goals for student writing and evaluation criteria.
3. Exams [if given] that include essay questions.
4. Maximum class-size of 30 students.

How will I recognize W courses?

1. Courses that have a number + a "W" (e.g., AFST 234W = the Writing Intensive version of "Black Women Writers.")
2. Writing tutorials that are linked to content area courses; for example, 151 Great Works of English Literature co-linked with English 134W, which is a Writing Tutorial. Student would need to register for and take both together.

Why should I take W courses?

- W courses are required.
- In order to be eligible for graduation, all students must fulfill the College’s writing requirement. To fulfill the writing requirement, all students who entered the college between Fall 1997 and Spring 2013 semester must accrue 3 W units, and all matriculants as of Fall 2013 semester must accrue 2 W units. Students may be able to transfer up to two "W" units from their previous institution/s; however, one (1) W unit must be completed in residency at Queens College for ALL students (freshmen and transfers) regardless of matriculation date.
- Writing about a subject area helps you learn.
- Writing forces you to think more deeply about a certain topic. When you write, you organize your ideas. And by writing not only do you articulate what you understand about the topic but you are also able to discover the gaps in your knowledge. Good writing skills help you succeed in any profession.
- Poor writing is among the most criticized skill gaps by employers.
- Whatever your career goal - accountant, technician, engineer, lawyer, police officer - you can be sure that it will involve writing. In fact, most employers ask for a writing sample as part of the interview process.

Believe it or not, writing can be fun! For many, writing is relaxing and entertaining. Honing your skills in a W course can advance your writing in many creative venues: email, journal, poetry, novels, memoir, personal web site, etc.
How To: Register for Classes
Check your enrollment dates and time BEFORE you try to register for classes

1. Click on Student Center.
2. Click on Search for Classes in the top right corner.
3. Select the Institution and the Term for which you would like to register.

4. Under Class Search:
   a. Enter the course Subject.
   b. If you know the course number, you can enter it in the Course Number field.
   c. You can modify your search with any of the other options listed. Note: The fewer options you select, the more results your search will yield.
   d. Scroll down and click Search.

5. If you want to check how many seats are left or view a course description, click the link under Class or Section.

Note: Check the Enrollment Requirements to make sure you have the pre-requisites for the class.

6. Click Select Class and then click Next. The class will now be added to your Shopping Cart.

7. Once you are forwarded back to your search results, click on Shopping Cart.
8. Select the classes you want to enroll into by clicking on the checkbox (Optional). Click on Validate and the system will check whether you need special permission to register for the class. Otherwise, you will find out in the next step when you try to enroll.
9. Click on Enroll and then Finish Enrolling.
