This 4-year academic plan is designed to help freshmen entering Queens College in Fall 2018 plan their academic career and ensure that they complete all requirements for graduation in a timely fashion. All other students should consult their academic and department advisors to chart their own 4-year academic plans. Students should note that course pre-requisite/s and co-requisite/s are strictly enforced and they should regularly meet with their department advisors to identify their specific major/minor requirements and entrance and maintenance criteria (if applicable) for successful completion of their degree.
Students who enter with prior study of Italian must consult with the Italian Undergraduate Program Advisor or a Departmental Representative for placement at their level of proficiency.

Of the 36 credits required for the major in Italian, students can count up to 6 cr. for classes in other foreign language courses.

No more than three courses taught in English, including the required “Eurocourse,” will be counted towards the major in Italian.

### Freshman

**FALL**
- English Composition I (EC1) 3 credits
- ITAL 111 (LANG) 4 credits
- Elementary Italian I
- Math & Quantitative Reasoning (MQR) 3 credits
- US Experience in Its Diversity (USED) 3 credits
- Creative Expression (CE) 3 credits

- Second major, minor, or general electives* 12 credits

**Spring total credits** 15 credits

---

* Students who enter with prior study of Italian must consult with the Italian Undergraduate Program Advisor or a Departmental Representative for placement at their level of proficiency.

* Of the 36 credits required for the major in Italian, students can count up to 6 cr. for classes in other foreign language courses.

* No more than three courses taught in English, including the required “Eurocourse,” will be counted towards the major in Italian.
## General Electives

Students may complete general electives by taking courses in (most) department/s or programs they choose; however, depending on the course/program, students may need department permission and/or prerequisite course/s. Electives may be used to supplement the chosen major (an English major may want to take a course in French or Italian literature) or to fulfill interest in a different area (a Music major may be interested in the physics of sound). Students are encouraged to use available electives to complete a dual major, minor, pre-requisites for graduate or professional school, or complete an internship, experiential learning and/or study abroad. Students are encouraged to use their available general electives wisely and focus on coursework that will assist them personally, academically and professionally.

For one or more of these courses is not offered, students should consult the Italian Undergraduate Advisor or a department representative for enrollment in a different advanced 200 and/or 300-level course.
