This 4-year academic plan is designed to help freshmen entering Queens College in Fall 2020 plan their academic career and ensure that they complete all requirements for graduation in a timely fashion. All other students should consult their academic and department advisors to chart their own 4-year academic plans. Students should note that course pre-requisite/s and co-requisite/s are strictly enforced and they should regularly meet with their department advisors to identify their specific major/minor requirements and entrance and maintenance criteria (if applicable) for successful completion of their degree.

## QUEENS COLLEGE

# Accounting BA

College Option Science (SCI)	3 credits

**Spring total credits** **17 credits**

\* Math 122 is prerequisite for ECON 249, but you may not have to start with this level. Based on your High School math level, the math department will decide which level of math you must take.

\*\* If a Literature course is taken with a W, it will count towards Literature and one Writing Intensive Unit.

General Education requirements may be taken in any order if the pre-requisite requirement(s) is/are satisfied.

#### SPRING

ACCT 322	3 credits
Auditing II	
Minor or general electives	12 credits

**Spring total credits 15 credits**

\*\*General Electives: Students may complete general electives by taking courses in (most) department/s or programs they choose; however, depending on the course/program, students may need department permission and/or prerequisite course/s. Electives may be used to supplement the chosen major (an English major may want to take a course in French or Italian literature) or to fulfill interest in a different area (a Music major may be interested in the physics of sound). Students are encouraged to use available electives to complete a dual major, minor, pre-requisites for graduate or professional school, or complete and internship, experiential learning and/or study abroad. Students are encouraged to use their available general electives wisely and focus on coursework that will assist them personally, academically and professionally.

\*\*\*\*Writing Intensive course overlaps, if ACCT 362W is taken it will satisfy the 2nd W requirement for College.

\*\*\*\*\* Please see the Accounting department for list of approved electives
