Major Credits

18

Elective Credits

This 4-year academic plan is for freshmen entering Queens College in Fall 2021. Our 4-year academic plans are illustrative examples of integrated degree requirements and course sequencing for each of the College's programs of study which are designed to ensure degree completion in a timely manner. Students are advised to meet with professional and faculty advisors to tailor their degree maps to their individual interests (academic and career goals), as well as other considerations including course offerings and the incorporation of winter and summer sessions. Course pre-requisite/s and co-requisite/s are strictly enforced, as are entrance and maintenance criteria (if applicable) for the successful completion of the degree.

QUEENS COLLEGE

Applied Mathematics BA

Economics Track

FOUR YEAR ACADEMIC PLAN

Freshman

FALL

English Composition I (EC1)	3 credits
MATH 122 (MQR)	4 credits
Pre-calculus	
ECON 101 (IS)	3 credits
Macro Economics	
Life & Physical Science (LPS)	4 credits
Fall total credits	14 credits

SPRING

FOUR YEAR ACADEMIC PLAN

Junior

FALL

MATH 202 (or MATH 207) Advanced Calculus	4 credits
Math Elective® (in consultation with Math Dept. advisor)	3 credits
College Option Literature (LIT+W) With Writing Intensive Unit*	3 credits
Foreign Language (LANG)	4 credits
General Elective	1 credit

Fall total credits **15 credits**

SPRING

Math Elective® (in consultation with Math Dept. advisor)	3 credits
Math Elective® (in consultation with Math Dept. advisor)	3 credits
College Option Science (SCI)	3 credits
An Additional College Core	3 credits
One Writing Intensive Unit (W)	3 credits

Spring total credits **15 credits**

Senior

FALL

Math Elective® (in consultation with Math Dept. advisor)	3 credits
Math Elective® (in consultation with Math Dept. advisor)	3 credits
Second major, minor, or general electives**	9 credits

Fall total credits **15 credits**

SPRING

Math Elective® (in consultation with Math Dept. advisor)	3 credits
Second major, minor, or general electives	12 credits

Spring total credits **15 credits**

* If a Literature course is taken with a W, it will count towards Literature and one Writing Intensive Unit.

® Six elective MATH courses at the 200-, 300-, 600-, or 700-level (not including MATH 271, 272, or 385).

**General Electives: Students may complete general electives by taking courses in (most) department/s or programs they choose; however, depending on the course/program, students may need department permission and/or prerequisite course/s. Electives may be used to supplement the chosen major (an English major may want to take a course in French or Italian literature) or to fulfill interest in a different area (a Music major may be interested in the physics of sound). Students are encouraged to use available electives to complete a dual major, minor, pre-requisites for graduate or professional school, or complete and internship, experiential learning and/or study abroad. Students are encouraged to use their available general electives wisely and focus on coursework that will assist them personally, academically and professionally.
