

12 Required Core Credits

18 Flexible Core Credits

12 College Option Credits

36 Major Credits

42 Elective Credits

120 Total

This 4-year academic plan is designed to help freshmen entering Queens College in Fall 2018 plan their academic career and ensure that they complete all requirements for graduation in a timely fashion. All other students should consult their academic and department advisors to chart their own 4-year academic plans. Students should note that course pre-requisite/s and co-requisite/s are strictly enforced and they should regularly meet with their department advisors to identify their specific major/minor requirements and entrance and maintenance criteria (if applicable) for successful completion of their degree.

QUEENS COLLEGE

Italian BA

FOUR-YEAR ACADEMIC PLAN

Fall total credits

15 credits

SPRING

Italian 300-Level Course**	3 credits
Second major, minor, or general electives*	12 credits

Spring total credits

15 credits

*General Electives: Students may complete general electives by taking courses in (most) department/s or programs they choose; however, depending on the course/program, students may need department permission and/or prerequisite course/s. Electives may be used to supplement the chosen major (an English major may want to take a course in French or Italian literature) or to fulfill interest in a different area (a Music major may be interested in the physics of sound). Students are encouraged to use available electives to complete a dual major, minor, pre-requisites for graduate or professional school, or complete and internship, experiential learning and/or study abroad. Students are encouraged to use their available general electives wisely and focus on coursework that will assist them personally, academically and professionally.

** If one or more of these courses is not offered, students should consult the Italian Undergraduate Advisor or a department representative for enrollment in a different advanced 200 and/or 300-level course.
