This 4-year academic plan is designed to help freshmen entering Queens College in Fall 2021. Our 4-year academic plans are illustrative examples of integrated degree requirements and course sequencing for each of the College's programs of study which are designed to ensure degree completion in a timely manner. Students are advised to meet with professional and faculty advisors to tailor their degree maps to their individual interests (academic and career goals), as well as other considerations including course offerings and the incorporation of winter and summer sessions. Course pre-requisite/s and co-requisite/s are strictly enforced, as are entrance and maintenance criteria (if applicable) for the successful completion of the degree.

QUEENS COLLEGE

Communication Sciences and Disorders BA (Application based major)

FOUR YEAR ACADEMIC PLAN

Freshman

FALL

English Composition I (EC1)	3 credits
College Option LANG (LCD 101 or 102 suggested)	3 credits
Individual & Society (IS) (SOC 101 suggested)	3 credits

Math & Quantitative Reasoning (MQR) (DATA 205 or PSYCH 1073+1071 suggested)**	4 credits
Creative Expression (CE)	3 credits
College Option Science (SCI) (BIOL 11 suggested)***	3 credits
World Cultures and Global Issues (WCGI)	3 credits

Spring total credits 16 credits

Sophomore (Apply to the major at the end of Spring semester if 3.0 or higher GPA is achieved)

FALL

Additional Flexible Core	3 credits
LCD 105*	3 credits
Introduction to Psycholinguistics LCD 106*	3 credits
Introduction to Communication Disorders First Writing Intensive Unit (W)	3 credits
Minor or general elective	3 credits

Fall total credits 15 credits

SPRING

LCD 110* Phonetics	3 credits
One course from related area(s)**	3 credits
College Option Literature with Writing Unit (LIT+W)	3 credits
Life & Physical Science (LPS) (CHEM 1011 & 1013 or higher OR PHYS 11 & 14 OR PHYS 1211 & 1214 or higher OR BIOL 105 or 106)***	4 credits
Minor or general elective	3 credits

Spring total credits 16 credits

*CSD major courses:

First Level: LCD 105, 106, and 110. (Students must obtain a 2.6 (C+) or above GPA average across these 3 courses, before the student can enroll in LCD 207, 208, or 216.). One course retake allowed.

Second Level: LCD 207, 208, 216 (each with a grade of B- or better). Students may retake at most one 200-level course, one time, if they received a grade below B-.

Third Level: LCD 309, 316, 322, 323, and 330. Students may retake at most one 300-level course, if they received a grade of C- or below. No course will count toward this major with a grade lower than C-.

**Required Courses for the CSD major that can be taken anytime:

-One (1) from list of electives: LCD 120; LCD 130; LCD 205; LCD 206; LCD 209; LCD 392; Psych 221; Psych 359; Soc 211. Please check if pre-requisites are necessary in the above classes.

-Psych 214

-Statistics: DATA 205 (previously SOC 205), or SOC 206 and SOC 207, or PSYCH 107.1 and 107.3, or MATH 114 or MATH 114W, or LCD 283

***Three credits in the Biological Sciences and three credits in the Physical Sciences are recommended, but not required of the major. Chemistry and Physics are highly suggested for Physical Sciences. Students applying to graduate schools in communication sciences and disorders will need these two courses as a pre-requisite. For more information, see CSD department website or <https://www.asha.org/students/>

LCD 322*or LCD 323*	4 credits
Speech Disorders/Language Disorders	
LCD 330*	3 credits
Audiology	
Minor or general electives	8 credits

Spring total credits

15 credits

> All required LCD courses must be taken at Queens College.

General Electives: Students may complete general electives by taking courses in (most) department/s or programs they choose; however, depending on the course/program, students may need department permission and/or prerequisite course/s. Electives may be used to supplement the chosen major (an English major may want to take a course in French or Italian literature) or to fulfill interest in a different area (a Music major may be interested in the physics of sound). Students are encouraged to use available electives to complete a dual major, minor, pre-requisites for graduate or professional school, or complete and internship, experiential learning and/or study abroad. Students are encouraged to use their available general electives wisely and focus on coursework that will assist them personally, academically and professionally.
