Total

This 4-year academic plan is designed to help freshmen entering Queens College in Fall 2020 plan their academic career and ensure that they complete all requirements for graduation in a timely fashion. All other students should consult their academic and department advisors to chart their own 4-year academic plans. Students should note that course pre-requisite/s and co-requisite/s are strictly enforced and they should regularly meet with their department advisors to identify their specific major/minor requirements and entrance and maintenance criteria (if applicable) for successful completion of their degree.

## QUEENS COLLEGE

# General Linguistics BA

Option B (Formal, Psycholinguistics, Computation Orientation)

This route is especially designed for those who are interested in formal, computational, or psycholinguistics. Major courses (in bold) and marked as req for required, semi semi-required (choice of one of three), and ele for electives. Please select your Major courses in consultation with your Program Advisor, Dr.Vago.

General Education requirements may be taken in any order if the pre-requisite requirement(s) is/are satisfied.

\*In some cases intermediate level Languages may fulfill the WCGI requirement.

\*\*If a Literature course is taken with a W, it will count towards Literature and one Writing Intensive Unit.

## QUEENS COLLEGE

# General Linguistics BA

## Option B (Formal, Psycholinguistics, Computation Orientation)

### SPRING

LCD 306 req	3 credits
Semantics and Pragmatics	
Second major, minor, or general	9 credits
elective	
(in consultation with program advisor)	

**Spring Total Credits 12 credits**

\*\*\*General Electives: Students may complete general electives by taking courses in (most) department/s or programs they choose; however, depending on the course/program, students may need department permission and/or prerequisite course/s. Electives may be used to supplement the chosen major (an English major may want to take a course in French or Italian literature) or to fulfill interest in a different area (a Music major may be interested in the physics of sound). Students are encouraged to use available electives to complete a dual major, minor, pre-requisites for graduate or professional school, or complete and internship, experiential learning and/or study abroad. Students are encouraged to use their available general electives wisely and focus on coursework that will assist them personally, academically and professionally.
