This 4-year academic plan is designed to help freshmen entering Queens College in Fall 2017 plan their academic career and ensure that they complete all requirements for graduation in a timely fashion. All other students should consult their academic and department advisors to chart their own 4-year academic plans. Students should note that course prerequisite/s and corequisite/s are strictly enforced, and they should regularly meet with their department advisors to identify their specific major/minor requirements and entrance and maintenance criteria (if applicable) for successful completion of their degree.

* Consult the French Undergraduate Advisors for French courses. Consult the Secondary Education and Youth Services Advisors for World Languages for SEYS courses. Candidates must declare the major with French in that department and declare the major in French Language Education 7-12 in the SEYS department.

All SEYS classes are registered in person, not online.

**Required: 36 credits taken above the FREN 112 level. Majors must meet with an Undergraduate Advisor for French proficiency assessment during their first semester. They are strongly advised to take courses through the CUNY/Paris exchange program or the CUNY/ICP French Language in Paris Summer Program.

General Education requirements may be taken in any order if the pre-requisite requirement(s) is/are satisfied.

***Students must complete an application for SEYS 364 in the Spring prior to registering for the course.

****General Electives: Students may complete general electives by taking courses in (most) department/s or programs they choose; however, depending on the course/program, students may need department permission and/or prerequisite course/s. Electives may be used to supplement the chosen major (an English major may want to take a course in French or Italian literature) or to fulfill interest in a different area (a Music major may be interested in the physics of sound). Students are encouraged to use available electives to complete a dual major, minor, pre-requisites for graduate or professional school, or complete an internship, experiential learning and/or study abroad. Students are encouraged to use their available general electives wisely and focus on coursework that will assist them personally, academically and professionally.
