Major Credits

15

Elective Credits

120

Total

This 4-year academic plan is designed to help freshmen entering Queens College in Fall 2021 plan their academic career and ensure that they complete all requirements for graduation in a timely fashion. All other students should consult their academic and department advisors to chart their own 4-year academic plans. Students should note that course pre-requisite/s and co-requisite/s are strictly enforced and they should regularly meet with their department advisors to identify their specific major/minor requirements and entrance and maintenance criteria (if applicable) for successful completion of their degree.

QUEENS COLLEGE

Studio Art BFA (Drawing Track)

FOUR YEAR ACADEMIC PLAN

Freshman

Senior Project II	
General electives**	9 credits

Spring total credits

15 credits

> BFA majors are encouraged to take additional art history courses as well as ARTS 393, an internship at a faculty-advisor-approved non-profit arts organization in New York City. Majors should take ARTS 391 and 392 consecutively in their final two terms as the last part of their studio coursework.

**General Electives: Students may complete general electives by taking courses in (most) department/s or programs they choose; however, depending on the course/program, students may need department permission and/or prerequisite course/s. Electives may be used to supplement the chosen major (an English major may want to take a course in French or Italian literature) or to fulfill interest in a different area (a Music major may be interested in the physics of sound). Students are encouraged to use available electives to complete a dual major, minor, pre-requisites for graduate or professional school, or complete and internship, experiential learning and/or study abroad. Students are encouraged to use their available general electives wisely and focus on coursework that will assist them personally, academically and professionally.
