

# VACCINATION VERIFICATION

In CUNYfirst Home, click on "Vaccination Verification."

The screenshot shows the CUNYfirst Home page with several tiles. A red arrow points from a text box to the 'Vaccination Verification' tile. Other tiles include 'CUNY Holiday Schedule', 'CUNYfirst Maintenance', 'CUNY Alert', and 'NYS Voter Registration Form'.

"Add New Record" to submit proof of CoVid-19 Vaccination, by picture/scan of Vaccination record/card or NYS Excelsior Pass. First and Second dose required. Medical Exemption and Religious Exception can also be documented here.

The screenshot shows the 'SARS-CoV-2(COVID-19) Vaccine Verification Program' page. A red arrow points from the text box to the 'Add New Record' button. The page includes a table with the following data:

Vaccine Options	Record No.	Created	Admin Status	View	Edit
1 Vaccinated	2	04/04/2022 4:09:02PM	Approved		
2 Vaccinated	1	09/07/2021 8:10:48AM	Disapproved	View	Edit

View approval status here, otherwise is disapproved – view reason here.

Please ensure you have an approved CoVid-19 Vaccination status before action is taken to register for the Fall 2022 semester. Classes will be dropped if Vaccination Status is not submitted and approved, periodically.

Note: Submission approvals are not automatic and are subject to verification.
