This 4-year academic plan is for freshmen entering Queens College in Fall 2022. Our 4-year academic plans are illustrative examples of integrated degree requirements and course sequencing for each of the College's programs of study which are designed to ensure degree completion in a timely manner. Students are advised to meet with professional and faculty advisors to tailor their degree maps to their individual interests (academic and career goals), as well as other considerations including course offerings and the incorporation of winter and summer sessions. Course pre-requisite/s and co-requisite/s are strictly enforced, as are entrance and maintenance criteria (if applicable) for the successful completion of the degree.

* Required: 36 credits taken above the FREN 111 level. Students who enter with prior study of French must consult with a French program advisor for placement at their level of proficiency. French BA majors must meet with an Undergraduate Advisor for French for proficiency assessment during their first semester.

**FREN 41W also fulfills the General Education Literature and one writing intensive requirements.

*** No more than three courses taught in English, including the required "Eurocourse," on relevant aspects of French culture may count toward the major.

-French majors are strongly advised to take some courses toward the major through the CUNY/Paris exchange program or the CUNY/ICP French Language in Paris Summer Program.

- Students are advised to complete FREN 206 or 228 before enrolling in advanced (FREN 300-level) literature courses.

****General Electives: Students may complete general electives by taking courses in (most) department/s or programs they choose; however, depending on the course/program, students may need department permission and/or prerequisite course/s. Electives may be used to supplement the chosen major (an English major may want to take a course in French or Italian literature) or to fulfill interest in a different area (a Music major may be interested in the physics of sound). Students are encouraged to use available electives to complete a dual major, minor, pre-requisites for graduate or professional school, or complete and internship, experiential learning and/or study abroad. Students are encouraged to use their available general electives wisely and focus on coursework that will assist them personally, academically and professionally.
