Required Core Credits

18

Flexible Core Credits

12

College Option Credits

36

Major Credits

42

Elective Credits

This 4-year academic plan is for freshmen entering Queens College in Fall 2022. Our 4-year academic plans are illustrative examples of integrated degree requirements and course sequencing for each of the College's programs of study which are designed to ensure degree completion in a timely manner. Students are advised to meet with professional and faculty advisors to tailor their degree maps to their individual interests (academic and career goals), as well as other considerations including course offerings and the incorporation of winter and summer sessions. Course pre-requisite/s and co-requisite/s are strictly enforced, as are entrance and maintenance criteria (if applicable) for the successful completion of the degree.

QUEENS COLLEGE

Italian BA

FOUR YEAR ACADEMIC PLAN

Freshman

- Students who enter with prior study of Italian must consult with the Italian Undergraduate Program Advisor or a Departmental Representative for placement at their level of proficiency.
- Of the 36 credits required for the major in Italian, students can count up to 6 cr. for classes in other foreign language courses.
- No more than three (3) courses taught in English, including the required "Eurocourse," on relevant aspects of Italian culture may count toward the major.
- * 36 credits taken above ITAL 111 level.

Fall total credits **15 credits**

SPRING

Italian 300-Level Course**	3 credits
Second major, minor, or general electives**	12 credits

Spring total credits **15 credits**

**General Electives: Students may complete general electives by taking courses in (most) department/s or programs they choose; however, depending on the course/program, students may need department permission and/or prerequisite course/s. Electives may be used to supplement the chosen major (an English major may want to take a course in French or Italian literature) or to fulfill interest in a different area (a Music major may be interested in the physics of sound). Students are encouraged to use available electives to complete a dual major, minor, pre-requisites for graduate or professional school, or complete and internship, experiential learning and/or study abroad. Students are encouraged to use their available general electives wisely and focus on coursework that will assist them personally, academically and professionally.

** If one or more of these courses is not offered, students should consult the Italian Undergraduate Advisor or a department representative for enrollment in a different advanced 200 and/or 300-level course.
