

A Tentative Guide to Winter 2023 Pathways Course Offerings

CUNYfirst data as of 11/07/22

Freshmen and transfer students who entered Queens College Fall 2013 or later must select courses from the following list to fulfill their Pathways General Education requirements.

Note: Although some courses appear under multiple Pathways designations, each course can only satisfy one Pathways requirement (i.e., Psychology 101 can fulfill *either* Scientific World *or* College Core/Option Science, but not both). Students are responsible for checking course prerequisites and conditions and students cannot earn credits for duplicative courses (e.g. ASTR 1 & ASTR 2, which are considered the same course--with and without a lab component. Such information is indicated on CUNYfirst under each course description.). Also note that courses are taught with and without Writing Intensive Units ("W"s). Be sure to pick the proper section to meet your individual requirement needs.
