*This 4-year academic plan is for freshmen entering Queens College in Fall 2022. Our 4-year academic plans are illustrative examples of integrated degree requirements and course sequencing for each of the College's programs of study which are designed to ensure degree completion in a timely manner. Students are advised to meet with professional and faculty advisors to tailor their degree maps to their individual interests (academic and career goals), as well as other considerations including course offerings and the incorporation of winter and summer sessions. Course pre-requisite/s and co-requisite/s are strictly enforced, as are entrance and maintenance criteria (if applicable) for the successful completion of the degree.*

\* Consult the French Undergraduate Advisors for French courses. Consult the Secondary Education and Youth Services Advisors for World Languages for SEYS courses. Candidates must declare the major with French in that department and declare the major in French Language Education 7-12 in the SEYS department. All SEYS classes are registered in person, not online.

\*\*Required: 36 credits taken above the FREN 111 level. Majors must meet with an Undergraduate Advisor for French proficiency assessment during their first semester. They are strongly advised to take courses through the CUNY/Paris exchange program or the CUNY/ICP French Language in Paris Summer Program.

-General Education requirements may be taken in any order if the pre-requisite requirement(s) is/are satisfied.

- Students are advised to complete FREN 206 or 228 before enrolling in advanced (FREN 300-level) literature courses.

\*\*\*\*General Electives: Students may complete general electives by taking courses in (most) department/s or programs they choose; however, depending on the course/program, students may need department permission and/or prerequisite course/s. Electives may be used to supplement the chosen major (an English major may want to take a course in French or Italian literature) or to fulfill interest in a different area (a Music major may be interested in the physics of sound). Students are encouraged to use available electives to complete a dual major, minor, pre-requisites for graduate or professional school, or complete an internship, experiential learning and/or study abroad. Students are encouraged to use their available general electives wisely and focus on coursework that will assist them personally, academically and professionally.
