

Design BFA

12 Required Core Credits

18 Flexible Core Credits

12 College Option Credits

63 Major Credits

15 Elective Credits

Freshmen may provisionally pursue the major and officially declare after their first semester. Students must meet with a Design advisor prior to formal acceptance into the major. Admission requires a minimum overall GPA of 3.00. Program standards for satisfactory progress require students to maintain a GPA of 3.00 or better within the major and receive no grade lower than C in any requirements for the major.

This 4-year academic plan is for freshmen entering Queens College in Fall 2023.

Our 4-year academic plans are illustrative examples of integrated degree requirements and course sequencing for each of the College's programs of study which are designed to ensure degree completion in a timely manner. Students are advised to meet with professional and faculty advisors to tailor their degree maps to their individual interests (academic and career goals), as well as other considerations including course offerings and the incorporation of winter and summer sessions. Course pre-requisite/s and co-requisite/s are strictly enforced, as are entrance and maintenance criteria (if applicable) for the successful completion of the degree.

Design BFA

Freshman

FALL

English Composition I (EC1)	3 credits
Math & Quantitative Reasoning (MQR)	3 credits
World Cultures & Global Issues (WCGI)	3 credits
US Experience in its diversity (USED)	3 credits

College Option Literature (LIT+W) With Writing Intensive Unit**	3 credits
Second major, minor, or general electives	3 credits

Fall total credits 15 credits

SPRING

Design elective¥	3 credits
Second major, minor, or general electives	12 credits

Spring total credits 15 credits

Students may opt to pursue tracks of study in **Animation, Communication Design, Illustration or Interaction Design** by selecting five design electives from the recommended lists.

****ARTH 220, 256, 258 fulfills the Creative Expression requirement.

Students who elect any of the minors cannot count the same courses or both the design major and the minor. Instead, additional courses must be taken.

*General Electives: Students may complete general electives by taking courses in (most) department/s or programs they choose; however, depending on the course/program, students may need department permission and/or prerequisite course/s. Electives may be used to supplement the chosen major (an English major may want to take a course in French or Italian literature) or to fulfill interest in a different area (a Music major may be interested in the physics of sound). Students are encouraged to use available electives to complete a dual major, minor, pre-requisites for graduate or professional school, or complete and internship, experiential learning and/or study abroad. Students are encouraged to use their available general electives wisely and focus on coursework that will assist them personally, academically and professionally.
