*General Electives: Students may complete general electives by taking courses in (most) department/s or programs they choose; however, depending on the course/program, students may need department permission and/or prerequisite course/s. Electives may be used to supplement the chosen major (an English major may want to take a course in French or Italian literature) or to fulfill interest in a different area (a Music major may be interested in the physics of sound). Students are encouraged to use available electives to complete a dual major, minor, pre-requisites for graduate or professional school, or complete and internship, experiential learning and/or study abroad. Students are encouraged to use their available general electives wisely and focus on coursework that will assist them personally, academically and professionally.

**If you are planning on taking ART 110 in the Fall of Junior year, you will not need to take an additional Flexible Core.

***If you are planning on taking CMLIT 334W or HIST 392W in Spring, you will not need to take an additional Writing Intensive Unit. Instead, take a 3 credit elective.
