From the Office of Public Safety

On-campus parking is available only for individuals who have been approved to access the campus. Five- or 10-visit parking permits will be issued for Fields 5/14 during the Fall 2021 semester for those who may not need to access the campus on a regular basis.

How to purchase a 5- or 10-visit parking permit

You must apply online before coming to Jefferson Hall 201 to pay for and pick up your decal or permit.

• Go to www.qc.cuny.edu.
• In the upper right-hand corner on the gray bar, click on Login to…, then click on Parking on Campus.
• Scroll down to the section, If you are not QC student/faculty/staff. After the first question, Are you a member of Athletics?, click on Click here.
• A 5-vist parking permit will cost $25.
• A 10-visit parking permit will cost $50.
• Complete the form and submit.
• Go to Jefferson Hall 201 on a day you have pre-approval to access campus (according to the schedule above). Bring a check or money order for either $25 or $50 made payable to Queens College. No cash will be accepted.

Picking Up Your Permit

Public Safety will be open in Jefferson Hall, Room 201, Monday through Friday from 9 am–2 pm.

Do not make a separate trip to campus to pay for and pick up your permit. The purchase should be made on a day on which you have pre-approval to access the campus.

After September 7, vehicles parked on campus without a permit and/or a current decal will be subject to a summons and/or boot.

If you have any questions or the times listed above are not compatible with your schedule, please contact Haiman Boxer at 718-997-4441 or haiman.boxer@qc.cuny.edu.
