

CONCENTRATION PLAN FOR THE BIOLOGY MINOR (BIOL-MIN)

Category	Course Number	Course Title	QC Credits	Transfer Credits	Term	Grade Min. of C-Required
Core Biology	105	Gen Biology: Physiology & Cell Biology	4.0			
	106	Gen Biology: Life Forms & Ecosystems	4.0			
Advanced Courses	† Choose from the following:					
	200, 201, 213, 220, 226, 230, 241					
	245, 261, 280, 285, 286, 287					
	310, 312, 315, 320, 321, 325					
	326, 330, 340, 345W, 346, 347, 348					
	349, 350, 352, 355, 360, 362, 363					
	364, 365, 366, 367, 371, 372, 373 380, 381, 385, 386					
TOTAL CREDITS:						

IMPORTANT REQUIREMENTS TO REMEMBER FOR BIOLOGY MINOR

- Students complete BIOL 105.0 and 106.0 and at least 9 credits of advanced Biology courses.
- Biology 105.0 and 106.0 may be transferred from another institution.
- Required and elective courses applied to other majors can not be applied towards the Minor Advanced Courses requirement
- All of the advanced courses must be taken at Queens College. Advanced courses do not include research and tutorial courses (BIOL 387, 390, 391, 395, 396).
