Pavlos Demertzis-Bouboulis presents the life and actions of his famous ancestor, naval commander Laskarina Bouboulina. Viewers will also have the opportunity of a virtual look inside the heroine's three century old home. Founded in 1991, the mansion is now open to the public as a museum dedicated to the Greek War of Independence and the life of Greek heroine Laskarina Bouboulina, until recently, the first and only woman in world naval history to hold the title of Admiral.
