

EXP-ED PEER MENTOR EXPERIENCE

BECOME A QC PEER MENTOR TODAY!

ANDRE MONTES

"The ability to research and develop a new set of ideas or professional skills and then present them to fellow students allowed my leadership, public speaking, and professional understanding to increase collectively."

LILY DENG

"Being an Experiential Education Peer Mentor was a great self-paced learning experience because the team was highly organized and maintained consistent communication with me."

SAMMY ALI

"My experience serving as an EXPED Education Peer Mentor has been incredibly rewarding. Whether I contributed or merely attended, I learned a lot from every workshop, and I credit that to the hardworking EXPED team."

JASMINE SINGH

"This opportunity taught me about what it takes to create a successful body of work that helps students in terms of career readiness. It was an amazing experience to exercise skills such as public speaking, content creation, and teamwork."

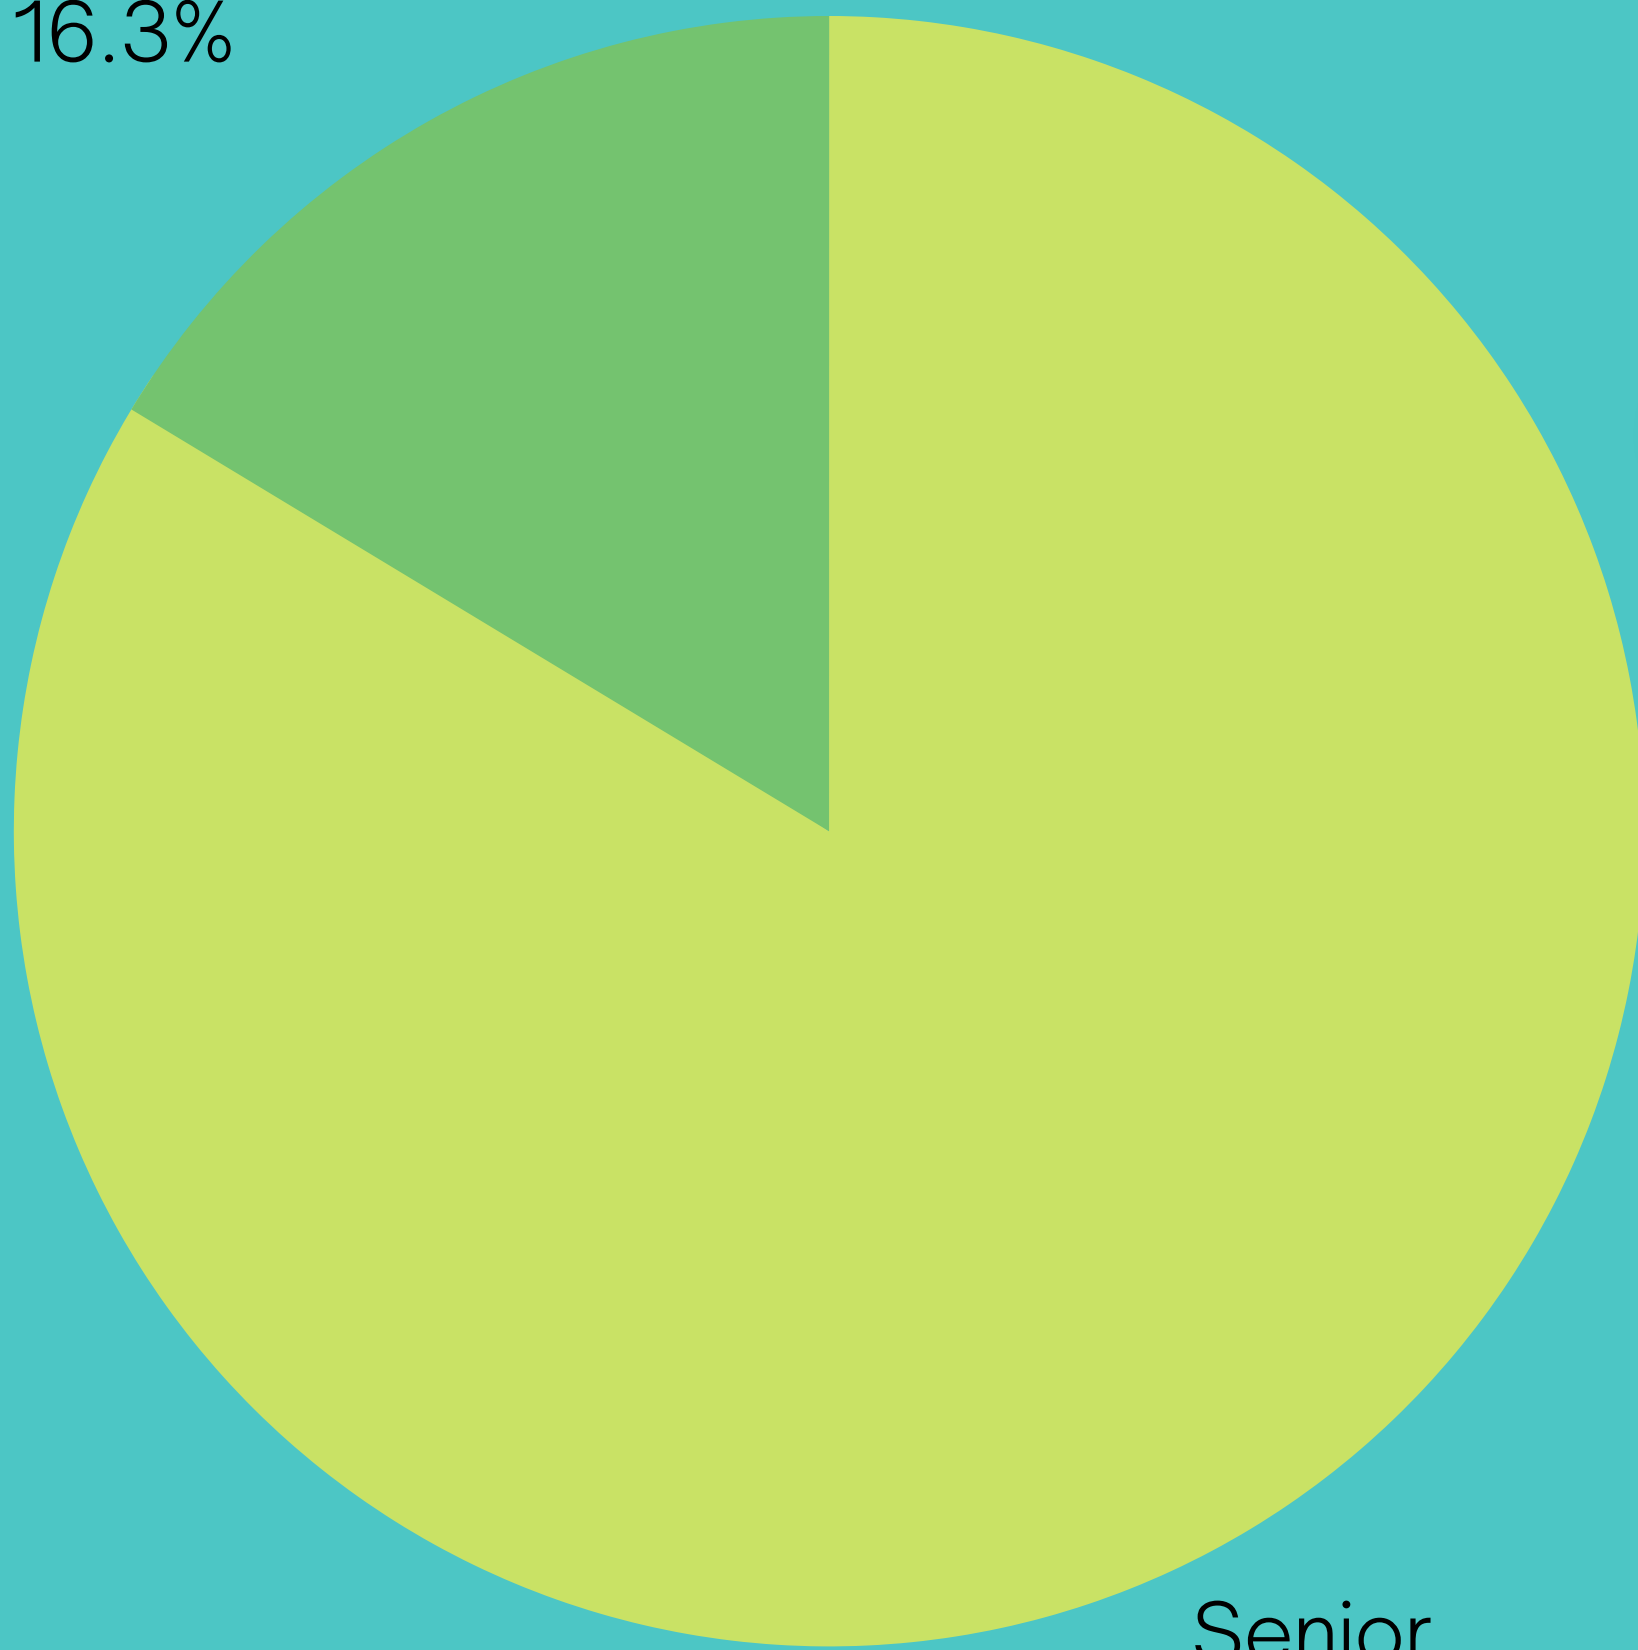

DASMATTIE BRIJMOHAN

"We each as peer mentors had our own individualist project, which needed to be done on time and accurately. Each workshop were pieces to complete a bigger objective. Timing and being able to communicate effectively is very important when taking on this role and I think I have grown and become a better communicator because of this internship."

Story Telling for Impact

"The Finding What Works For You workshop explored a lot of aspects of career exploration and personal identity that I had not thought of before."

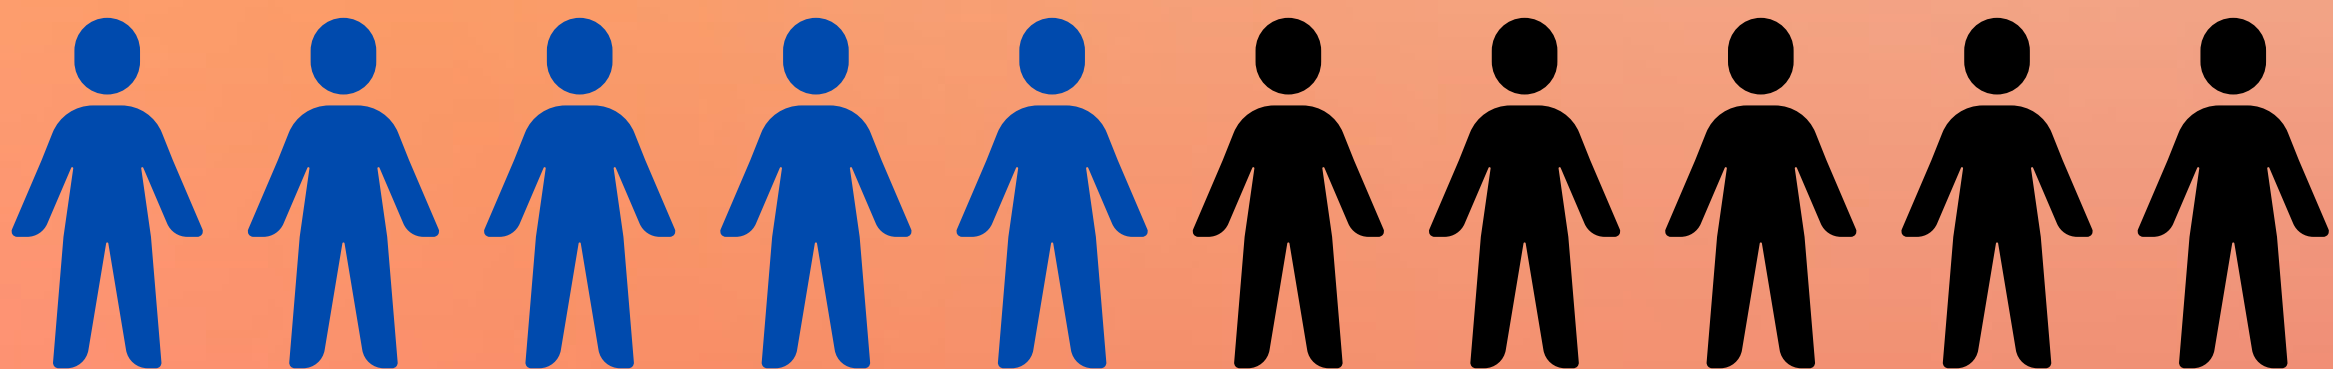

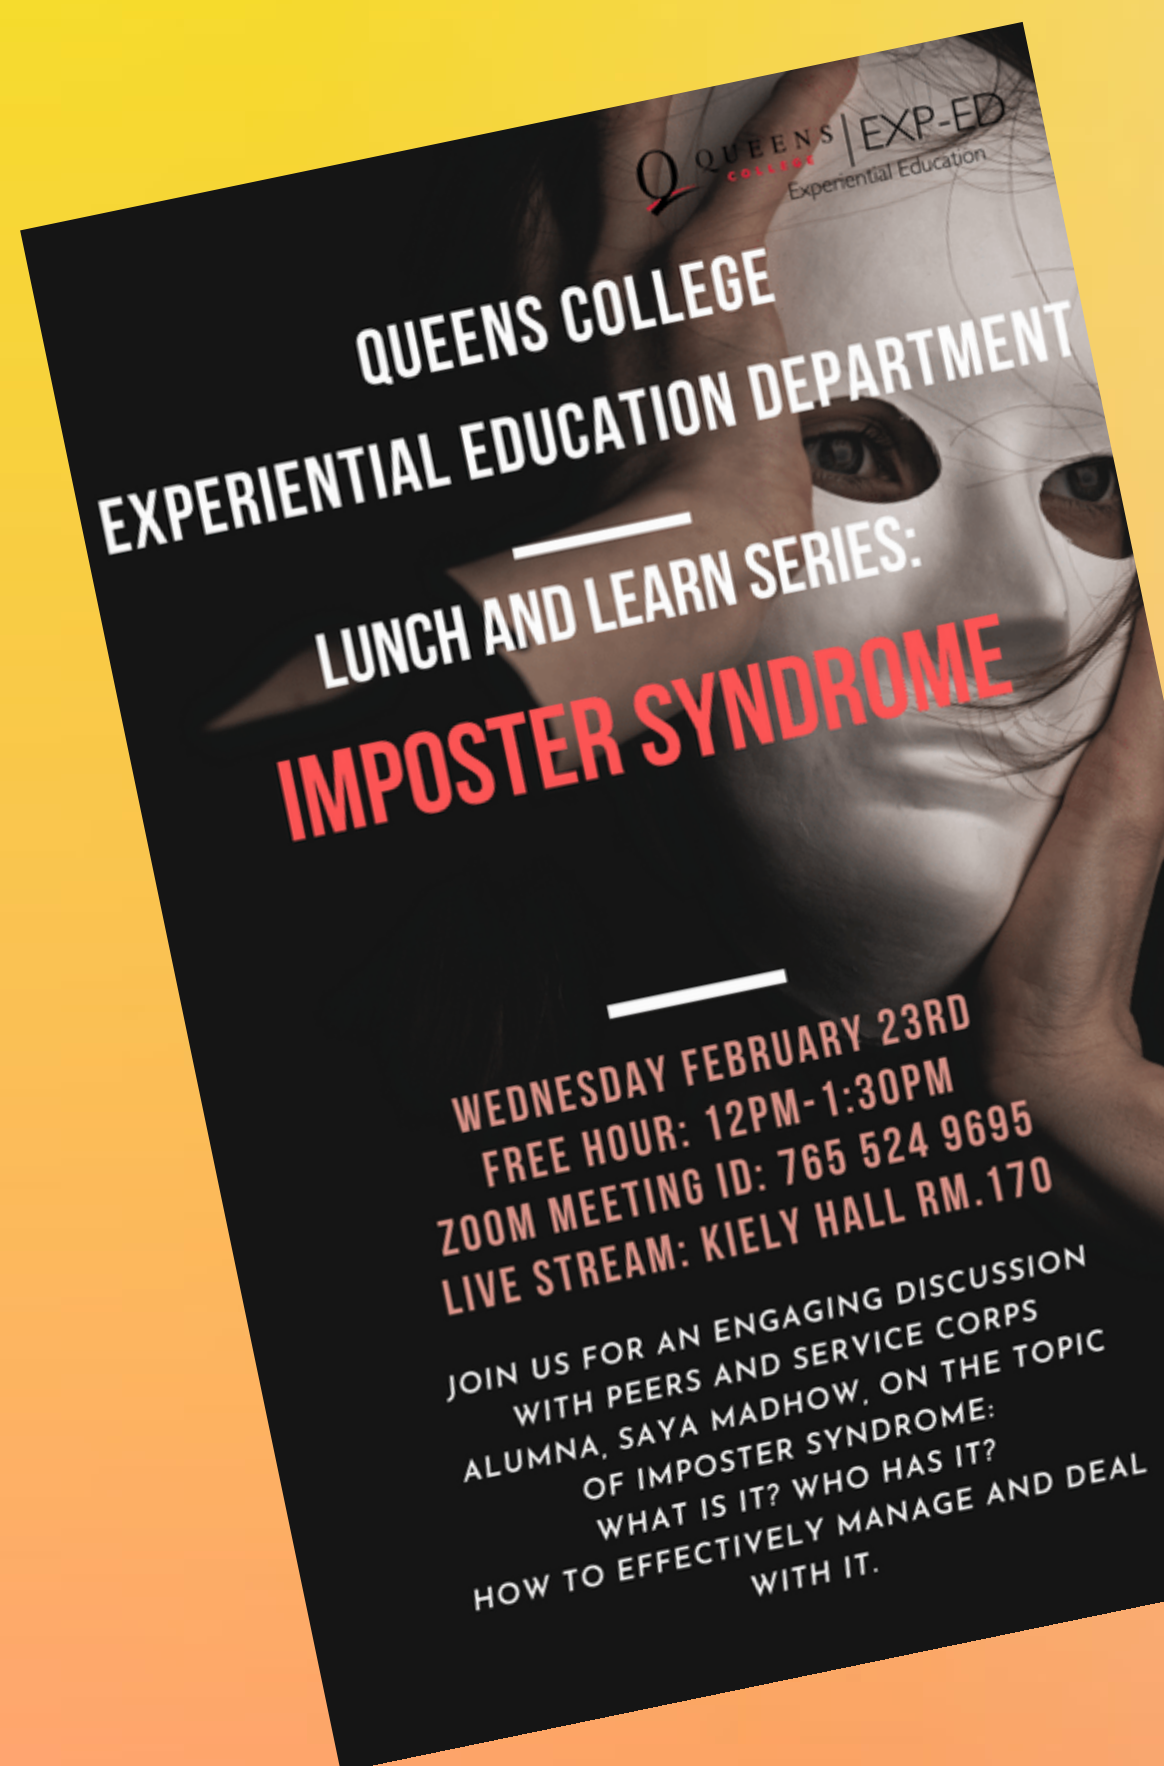

-Lily

"Speed Interviewing was my favorite workshop because I got to practice what it really means to be put on the spot. Learning how to command your narrative is powerful when it comes to interviewing, so I really appreciated the challenge."

- Jasmine

"I learned a lot about topics I had no prior knowledge on and being able to understand myself better as a person and a professional has allowed me to further grow." - Andre
