

Combined MS in Nutrition and Exercise Sciences—Nutrition Specialization and Dietetic Internship track (MS-DI)

ADVISORS

- DIETETIC INTERNSHIP DIRECTOR: Professor Allison Charny
- GRADUATE ADVISOR: Professor Ashima Kant

By combining the Dietetic Internship (DI) with the MS in Nutrition & Exercise Sciences – Nutrition Specialization, students can complete both programs in two years. First year will include sequence of didactic coursework followed by didactic coursework and clinical placements in the second year.

ADMISSION REQUIREMENTS

Completed DPD before Fall start of the program

Application and acceptance to QC-DI

Acceptance to the QC-DI guarantees admission to the MS-Nutrition but requires submission of a graduate admission application

HOW TO APPLY

Submit application for Spring match to the Dietetic Internship Centralized Application Service (DICAS) for the DI. If accepted to the QC-DI, apply to the MS-Nutrition program.

DATE OF APPLICATION

DI Applications are due to DICAS by January 15 for Fall entrance to the combined program.

MS-Nutrition: Contact Prof. Ashima Kant @ ashima.kant@qc.cuny.edu

DI: Contact Prof. Allison Charny @ allison.charny@c.cuny.edu

Students will receive their MS degree and a DI verification statement upon successful completion of all requirements as outlined in the Graduate Course Bulletin.
